

Call for applications for short-term student mobility within the Erasmus+ program, "Intensive Mixed Mobility Programs", at the Università degli Studi di Napoli Federico II, during the winter semester of the Academic Year 2024 – 2025, in the Blended Intensive Program (BIP) entitled "Human Centered AI – Education and Research in Practice (HCAI-ERP)"

The University of West Attica and the MSc "Artificial Intelligence and Deep Learning" (AIDL), in the context of the Erasmus+ Program KA 131, Blended Intensive Programs (BIPs) - Mobility of Students for Studies - Short-term Mobility, enable up to 6 students of the MSc "Artificial Intelligence and Deep Learning", to participate in the Blended Intensive Program (BIP) entitled "Human Centered AI - Education and Research in Practice (HCAI-ERP)" organized by the Università degli Studi di Napoli Federico II, in Naples Italy.

The total duration of the program is approximately two weeks, distributed as follows: (a) one week of live teaching at the premises of the Università degli Studi di Napoli Federico II from 02 to 06 December 2024, and (b) approximately a week of online teaching (ie, without physical presence) through participation in virtual activities that will be organized at a different time by the Università degli Studi di Napoli Federico II. Students who will successfully participate in the BIP will receive a total of 3 ECTS in the Diploma Supplement of the MSc.

Financial aid (scholarship) from the Erasmus+ program is provided for the students' movement for all participating students. For information about the procedure and the amount of the financial support, interested students should contact the relevant Department of the Erasmus+ Office of PADA at the email address: erasmus_outgoingstudents@uniwa.gr.

Students will be selected based on the following criteria:

1. Students must have completed 1 semester of studies at MSc "Artificial Intelligence and Deep Learning", and have successfully passed at least 50% of the courses they have attended. (Severity: subject to disqualification.) Evidence: Score certificate from the Secretariat of the MSc
2. Knowledge of English, at least at B2 level (Weight: 30%). Marking 10 % for level B2, 20 % for level C1 and 30 % for level C2. Evidence: certificate of knowledge of the English language recognized by the state.

For students who do not have a certificate of English language proficiency, the corresponding score is 10% if proficiency in the English language has been certified during their enrollment through an examination in a manner decided by the S.E. of MSc or they are graduates of English-speaking universities.

3. Percentage of courses in which they have been successfully examined calculated on the number of courses they have attended (Weight: 40 %). Evidence: Score certificate from the Secretariat of the MSc.
4. Student's application and letter about his/her motivations for moving through the action in question (Weight: 30%). A standard application and letter is attached as an appendix to this Notice. Supporting documents: Application form and letter drawn up and signed by the student concerned and a short CV in Euro-pass format.

The submission of the application and the required supporting documents will take place from Friday 20/09/2024 to Monday 30/09/2024, exclusively via email to the Secretariat of the MSc AIDL (aidl@uniwa.gr). Application files with incomplete supporting documents may be excluded from the selection process without notice.
